EXHIBITOR ANALYTICS

Tae Jin Shin, President| Bio Health Doctor

Bio-Health Doctor is a company specialized in medical equipment. We manufacture far infrared ray dome sauna, which heals and helps diet. During the exhibition, many visitors liked our products. We appreciate for all your love for our product. During the exhibition, there were a lot of buyers and consumers. So we are planning to join this exhibition every year if possible.

81% of Exhibitors felt that the exhibition was a good opportunity to gain new customers/ partners

Juhee Yang, CEO | META - B LAB'S

First of all, we are very glad to have chance to participate in such a wonderful exhibition. Also, we are very happy to share our delicious flavor with all the other customers. We thank for this exhibition working as a chance to advertise K-Seafood.

84% of exhibitors stated that the exhibition helped to raise the profile of their company
