EXHIBITORS VOICE

Vietlife has joined Vietbaby from the early days and almost every year. After 2 years of the pandemic, I'm really looking forward and surprised that a lot of customers visit Vietlife's booth. We will participate in Vietbaby Fair in 2023.

We are looking forward to getting closer to consumers, and expanding our business connection with new partners and new wholesales. This September, Lien Phong will join the 2nd Vietbaby Fair in 2022 in Hanoi.

Thanks to the big scale investment and strong marketing activities, Vietbaby Fair attracts a lot of customers who are distributors, wholesalers as well as retail store owners and consumers. This is the motivation for us to continue to participate in the next exhibition

Actually, as a brand representative, I really need activities that can contact customers directly. I felt very happy and positive when we could return to this atmosphere after the pandemic. Rascal + Friends and Hey Tiger are looking forward to joining in the next few years

The background is a solid pink color with a fine, repeating pattern of small white dots. Scattered throughout are various white and pink cloud shapes. Some are solid white, while others are pink with dashed white outlines. A large pink cloud in the upper right contains two small white stars. At the bottom, there are two stylized rainbow arches, each composed of three overlapping bands of different shades of pink. The text "Thank you" is centered in a white, elegant script font.
