The ceremony is proud to have the presence of delegators who represent government agencies and associations in the industry.

## SEMINAR PROGRAM

Industry situations or market information are presented by leaders from reputable companies and associations.

## SHOWCASES

Agricultural products are displayed with the highest quality, creating appealing displays and highlighting Vietnamese products.

## BUSINESS MATCHMAKING

The programs provide opportunities not only to meet leading manufacturers and suppliers but also to find new customers and partners.

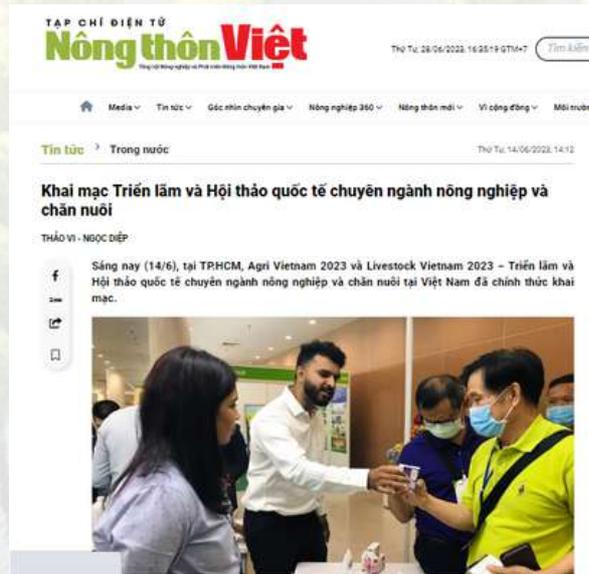

## THE SIGNING CEREMONY *BETWEEN VIPA AND VNPPA*

MoU was signed between the two parties in order to strengthen economic cooperation.

# MEDIA CORNER

# EXHIBITOR TESTIMONIALS

*We are very satisfied with the very professional organization of the organizers from marketing communication to registration, construction and other services. Through this exhibition, we can promote product brands and find business partners. Coming to this exhibition, we have found and communicated with many customers, and through this exhibition we understand more about the market. Therefore, we will definitely come back at the next exhibition.*

**Mr. Lai Tuấn Kiệt**

**Head of Marketing Department, TTC Agris Organic Fertilizer**

*We are from India, and this is our first time participating in the Exhibition in Vietnam. We received a lot of good comments from visitors, so we would like to participate in the exhibition again next year.*

**Mr. Suresh N. Shah**

**Executive Director, Parikh Enterprises**

*It is also our pleasure to be at this Expo with the organizers. As the aim of participating in this Expo, we are looking for business partners to expand the dealer network as well as to find potential customers who are in need of exploiting and using the company's products. We are pleased and expected to accompany organizers as it is also an opportunity to help farmers, and partners in Vietnam to have access to high-tech products like chromium today.*

**Mr. Trần Văn Dương**

**Deputy Director, Truong Thinh Company**

**AGRI**  
**VIETNAM2024**

**12-14/6/2024**

**SECC, Ho Chi Minh City**
