TESTIMONIALS

Mr. Nguy Nhu Huy

Head of Marketing Department
Bao Nam Agriculture Products Import & Export Company Ltd

" I see that the Livestock Vietnam 2024 has many potential customers related to the livestock market, this is the most effective place to connect trade between businesses and consumers. This year, with the theme "Made in Vietnam" is very suitable for Vietnamese businesses that want to promote trade as well as export Vietnamese agricultural products to the international market. We met and discussed with many partners interested in the products for 3 days. For three days, we met and discussed with numerous partners who were considering the products. Without a doubt, we'll be back at Livestock Vietnam the following year. We expect that the display will get bigger and more powerful. Thank you! "
