# RUBBER & TYRE, PLASTECH VIETNAM

Rubber & Tyre, Plastech is an annual international exhibition showcasing the latest innovations and solutions in the Rubber, Tire, and Plastics industries in Vietnam and worldwide. The exhibition serves as a leading platform for companies, organizations, and government agencies to network and explore new business opportunities in the Rubber, Tire, and Plastics sectors both in Vietnam and internationally.

Deputy General Manager - Desma

“

This is the second time we came to Vietnam, and we got a very good response in Vietnam. All our customers are from Hanoi. We would like to inform you that, definitely, in the future, we will participate again.

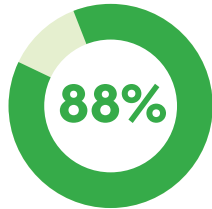

”

5%

**Pichai Phansukhumthana**

Assistant Managing Director - CS Rubber Industry

We participated in the exhibition for three days and had at least 40 discussions with customers. I believe this is one of the best exhibitions we have ever attended.

**Virendra Rathod**

President - GRP

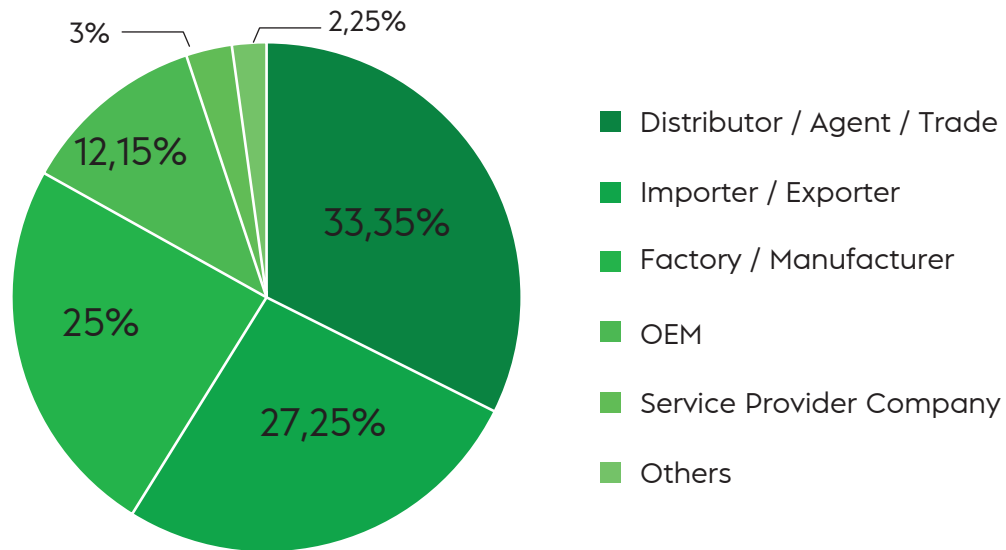

We are very pleased to participate in this exhibition once again. We have attended this exhibition many times and we hope to connect and find many cooperation opportunities in Vietnam.
