BUYER TESTIMONIALS

Company: Chrisen Corp – United States

Name: Ezekiel Gyimah

Having sourced across Europe and the US, I'm impressed by the quality and efficiency at Global Sourcing Fair Vietnam 2026. After two days, I've identified high-potential products and will focus on five for business discussions. The fair offers a diverse supplier mix from Korea, Taiwan, China, and Vietnam and more variety than shows in London or Manchester. I see strong growth ahead and plan to return in 2027.

Company: Dean Enterprises – Philippines

Name: Daniel Lapinig

As the founder of Dean Enterprises, I successfully sourced new packaging and high-quality hangers on my first visit. The pre-arranged meeting setup was efficient, making it easy to connect with suppliers face-to-face. I also value the honesty and hospitality of Vietnamese partners and the opportunity to verify product quality before investing.

Company: Bayport Brands – Australia

Name: Dale Riley

I've attended trade fairs worldwide but came to Vietnam to explore its manufacturing strengths. As an Australian importer, I'm seeking high-quality, genuinely Vietnam-made products with distinct design and innovation. The suppliers are professional, collaborative, and friendly. The fair is well-balanced with strong sectors like textiles and kitchenware, and I've begun promising discussions for new partnerships.

Company: Dec Global Sourcing – Vietnam

Name: Anh Pham

As a buyer focused on locally made products, I'm impressed by the cultural heritage and quality of Vietnamese goods. I've already found 1–2 suitable suppliers, and the co-creation approach is a strong advantage. The fair is well organized, making sourcing efficient while offering valuable networking opportunities. I look forward to returning in the future.

We specialize in creative stationery like stickers, gift boxes, and DIY design products. We chose Global Sourcing Fair Vietnam for its proximity to China and strong local interest in our 'cute' designs. The fair was a great success, attracting diverse buyers from the U.S., Europe, Cambodia, and enthusiastic local retailers. We had around 40 valuable one-on-one discussions and saw strong market potential here. We're confident in our participation and will return for future editions.
